

AUDIT COMMITTEE CHARTER

The Board of Directors (“*Board*”) of Owl Rock Technology Finance Corp. II (the “*Company*”) has determined that the Audit Committee of the Board (the “*Committee*”) shall assist the Board in fulfilling certain of the Board’s oversight responsibilities. The Board hereby adopts this charter (“*Charter*”) to establish the governing principles of the Committee.

I. Purpose

The primary function of the Committee is to serve as an independent and objective party to assist the Board in fulfilling its oversight responsibilities for the Company’s accounting and reporting processes and the audits of its financial statements by overseeing and monitoring:

- a. The quality and integrity of financial reports and other financial information provided by the Company to governmental bodies or the public and the independent audit thereof.
- b. The Company’s system of internal controls regarding finance, accounting (including valuation policies) and regulatory compliance.
- c. The material aspects of the Company’s accounting and financial reporting process generally.
- d. The independence, qualifications and performance of the Company’s independent registered public accounting firm (independent accountants), including the lead audit partner.
- e. The compliance by the Company with legal and regulatory requirements, including the Company’s disclosures and procedures.
- f. The performance of the Company’s internal audit function.
- g. The disclosure by the Audit Committee of the report required by the SEC to be included in the Company’s annual proxy statement.
- h. The performance of an annual evaluation of the Audit Committee.

The Committee will primarily fulfill these responsibilities by carrying out the responsibilities and duties enumerated in Section V of this Charter.

II. Scope

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosure are complete and accurate, fairly present the information shown or are in accordance with United States generally accepted accounting principles (“*GAAP*”) and applicable rules and regulations. The responsibility to plan and conduct audits is that of the Company’s independent accountants. In fulfilling this responsibility, the independent accountants are ultimately accountable to the Board and this Committee. The Company’s management is responsible for ensuring that the Company’s financial statements are complete and accurate and in accordance with GAAP. It is also not the duty of the Committee to ensure the Company’s compliance with any law, regulation or rule of the New York Stock Exchange (the “*NYSE*”) or compliance with the Company’s Code of Ethics, Code of Business Conduct or Corporate Governance Guidelines. The primary responsibility for these matters also rests with the Company’s management. Instead, the Committee shall oversee the Company’s accounting and financial

reporting processes and the audits of the Company's financial statements.

In order to fulfill its oversight responsibility, the Committee must be capable of conducting free and open discussions with the valuation committee, management, independent accountants, internal auditors or other personnel responsible for the internal audit function (if applicable), outside valuation experts, employees, and others regarding the quality of the financial statements and the system of internal controls.

III. Membership Requirements

The Committee shall be comprised of three (3) or more directors or, each of whom shall:

- a. be independent directors or members who are not "interested persons" of the Company or of the Adviser as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended, and free from any material relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee;
- b. satisfy the independence and other requirements established by the NYSE rules and meet the independent requirements of Section 10A of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*") and SEC Rule 10A-3(b)(1) under the Exchange Act
- c. be or shall become (within a reasonable period of time after his or her appointment) "financially literate," as such qualification is interpreted by the Board; and
- d. have a basic understanding of finance and accounting practices and shall be able to read and understand financial statements.

The members of the Committee shall meet the requirements of all applicable laws, rules or regulations, including the NYSE rules, in each case, when, as and to the extent applicable to the Company. In addition, at least one member of the Committee shall have accounting or related financial management expertise in the business judgment of the Board, a requirement that is presumed satisfied if the member qualifies as an "audit committee financial expert" within the meaning of Item 407(d)(5)(ii) of Regulation S-K.

The members of the Committee shall be nominated by the Nominating and Corporate Governance Committee annually and as vacancies or newly created positions occur. The members of the Committee shall be appointed by the Board of Directors.

The Company does not limit the number of public company audit committees on which a member of the Committee serves; *provided, however*, that if a member of the Committee serves on more than three (3) other public company audit committees, the board must have determined that such simultaneous service would not impair such member's ability to serve on the Committee; *provided further* that the Company must disclose such determination in its proxy statement for its annual meeting.

Unless a Chairperson is elected by the full Board, the members of the Committee may designate a Chairperson by majority vote of the full Committee membership.

Any member of the Committee may resign from the Committee at any time upon notice of such resignation to the Company. The Board shall have the power at any time to remove a member of the Committee with or without cause, to fill all vacancies, and to designate alternate members, upon the recommendation of the Committee, to replace any absent or disqualified members.

IV. Meetings

The Committee shall meet at least four (4) times each year, or more frequently as circumstances require. The Chairperson of the Committee may call a Committee meeting whenever deemed necessary and shall be responsible for meeting with the independent accountants at their request to discuss the interim financial results. The Committee may request any member of the Board who is not a member of the Committee, officer or employee of the Company or the Company's outside counsel or independent accountants to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Notice of Committee meetings shall be given in the same manner as notice for special meetings of the Board.

Action may be taken by the Committee upon the affirmative vote of a majority of the members present at the meeting if a quorum of committee members, as defined in the Company's bylaws, is present (or where only two (2) members are present, by unanimous vote).

An agenda, together with materials relating to the subject matter of each meeting, shall be sent to members of the Committee prior to each meeting. Minutes for all meetings of the Committee shall be prepared to document the Committee's discharge of its responsibilities. The minutes shall be circulated in draft form to all Committee members to ensure an accurate final record, shall be approved at a subsequent meeting of the Committee and shall be distributed periodically to the full Board.
