The New York Law Journal congratulates its In-House Impact winners:

Jennifer Reddin Cassar and Julianne Cohn, JCCA

Neena Reddy, General Counsel and Secretary, Blue Owl Capital

This contest recognizes outstanding work performed by general counsel and in-house legal departments over the past year. The award is based on success stories: How a given corporate counsel's office, regardless of its size, came up with innovative programs, used ingenuity to solve problems or surmounted a scarcity of resources and still delivered high-quality client service.

The winners will be recognized in the New York Law Journal's up-

coming Professional Excellence web presentation and honored Oct. 6th at the [New York Legal Awards](#) at Marriott Marquis in New York City. The event will feature numerous other awards, including Rising Stars, Distinguished Leaders, Lifetime Achievement, Litiga-

tion Departments of the Year, Innovation, Dealmakers, Diversity Initiative and the announcement of our Attorney of the Year winner. For information about tickets and sponsorships for the event, please contact Andre Sutton at asutton@alm.com.
